

Paul Holmes
Facilities Leadership Achievement Award

Paul Holmes founded the Community College Facility Coalition and dedicated much of his career in service to the organization. He tirelessly pursued State funding opportunities and advocated on behalf of California's community colleges. Paul also traveled the world, ran marathons, climbed mountains and sailed ships. His passion for school finance and policy, sportsmanship, wry sense of humor and adventurous spirit impacted many in the community college facilities industry.

Each year at the Annual Conference, the Board of Directors presents the Paul Holmes Facilities Leadership Achievement Award to a member of CCFC who demonstrates a commitment and dedication to the organization's mission and vision of enhancing facilities for the students of California's community colleges.
